## Sidewalk Paint

Not all recipes are for eating. Caterina and Leo love to get creative and this sidewalk paint is super fun for decorating the walkways on a summer day.

### **Ingredients:**

Bowl  
Cupcake Pan (a variety of cups can be substituted)  
1 cup water  
1 cup cornstarch  
Food Coloring (the brighter the better!)  
Old Paint Brushes

Mix the ingredients in the bowl. Poor the liquid into the cupcake pan, filling each cup about  $\frac{3}{4}$  full. Drop different food coloring colors into the cups to make a beautiful pallet of colors. Paint yourself a happy picture.
